

JOB TITLE: Beef Production Intern

OVERVIEW: Whiskey Creek Farms is a fifth-generation family farming operation located in Lawton, Iowa a few miles east of Sioux City Iowa. They operate a beef feedlot, calf ranch, and crop farm in IA, SD, and AR.

STARTING DATE: May 2017

SALARY: Based on experience

HOURS: 50+ hours/week

JOB DESCRIPTION: The beef production intern will work directly with the feeders and herdsmen to care for the cattle. The intern will also work with the feedlot maintenance crew to keep equipment in working order.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

- Assists manager with feeding and treating animals and maintaining records.
- Assists maintenance crew with routine farm work.
- Offers assistance in a variety of areas as needed.
- Operates machinery including, but not limited to: tractors, skid loaders, payloaders, and manure equipment.
- Demonstrates ability to follow instruction, work independently, and learn quickly.

QUALIFICATIONS:

- Working towards a bachelor's degree in agriculture or a related field.
- Must have a passion for agriculture, specifically livestock.
- Valid driver's license.
- Experience operating and maintaining equipment.
- Reliable transportation to and from work.
- Ability to obtain CDL is a plus.

WORK ENVIRONMENT:

The work environment includes exposure to dust and manure and changing weather conditions. In addition, the employee is frequently exposed to work near moving mechanical parts.

PHYSICAL DEMANDS:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.
